Tamar E080

UK - Myson

- Attractive serpentine design
- Compact design
- Easy to install
- Virtually maintenance-free
- Energy-efficient dry element

Description

The Athena E towel warmer features a practical design that offers all the benefits of electric heating. These towel warmers are easy to install, virtually maintenance-free and require no pipework.

Area of Application

The Athena E is perfect for modern bathrooms and offers an elegant solution for warming towels. With its serpentine design and compact dimensions (644 mm high, 483 mm long), it features a heating element and a steel body, ensuring durability and energy efficiency.

Selection Criteria

Available in White and Chrome.

Basic User Instructions

The Athena E is supplied with brackets already attached to the product. A bag of screws is included.

Prescription text specifiers

The Athena E electric towel rail features a serpentine design that is both modern and functional. Measuring 644mm in height and 483mm in length, it is made of steel and incorporates a dry heating element for energy-efficient use. Finished in chrome, this towel rail is virtually maintenance-free and requires no plumbing for installation. Suitable for bathrooms, it comes with brackets and a bag of screws. Installation must comply with BS 7671 standards, with the circuit breaker located outside the bathroom. Rated IP44, it ensures safe use in damp areas. Ideal for small spaces, the Athena E adds a touch of elegance whilst keeping your towels warm and ready to use.

Warranty

For your additional peace of mind, Purmo Group gives the following Warranty against manufacturing defect. Your statutory rights are not affected by this Warranty.

Subject as provided below, Purmo Group warrants to the original purchaser at the original installation site that its products will be free from defects in materials and workmanship for the following periods:

- Hydronic Radiators: 10 years from date of purchase.*
- Fan Assisted Radiators (ULOW-E2): 2 years from date of purchase.*
- Fan Convectors: 2 years from date of purchase.
- Hydronic Underfloor Heating: 10 years for the pipe from date of purchase.
- Hydronic Underfloor Heating: 2 years on accessories, actuators, ball valves, controls, expansion vessels, fittings, low loss headers, manifolds, mixer control groups & tooling from date of purchase.
- Hydronic Underfloor Heating: 12 months on all pumps from date of purchase.
- Electric Underfloor Heating: 10 years from date of purchase (except programmer & sensor).
- Electric Radiators: 10 years from date of purchase on radiator unit*, electric controls & electronic components; 2 years from date of purchase.*
- Electric Towel Warmers: 2 years from date of purchase.*
- Hydronic Towel Warmers: 5 to 10 years from date of purchase depending on product type.*
- Myson Radiator Valves and Controls: 2 to 5 years from date of purchase, depending on range.

*Products which are exposed to prolonged extreme conditions, such as high humidity or severe cold/condensation, may be subject to deterioration. This is not a result of any manufacturing defect. Products installed in these circumstances will be subject to a warranty period of twelve months only.

The original purchaser's remedy for breach of this Warranty is expressly limited to repair or replacement of any part or parts found to be defective under conditions of normal service and use during the above Warranty period and does not extend to Purmo Group being liable for any

incidental, special or consequential damages or losses whatsoever, such as loss of use of the product, inconvenience or lost profits.

This Warranty does not cover any defect, damage or malfunction in the product which is due to: failure to comply in any respect with Purmo Group's installation, maintenance or operating instructions; faulty storage,

handling, installation or repair; mis-use; neglect; accident; abuse; or general wear and tear.

Before this warranty can be activated, the original purchaser will be required to prove, with supporting documentation, the date and place of purchase, as Purmo Group may need to conduct its investigation into

the alleged defect. This should be within 28 days of the date when the defect was discovered or ought to have reasonably discovered the defect.

Purmo Group reserves the right to make a reasonable charge for inspecting and testing any product which is subject to a Warranty claim and the rights conferred by the Warranty are conditional upon the payment of such charge. The charge may be made, at Purmo Group's discretion, either before or after the inspection and testing of the product. In the event that it is established to Purmo Group's reasonable satisfaction that a valid Warranty claim has been made in respect of the product, then any inspection charge which has been paid will be refunded in full by Purmo Group.

Specification

Feature	Unit	Value
Etim Class		EC003624 - Towel drying radiator (electric)
Protection class		II
Colour		Chrome
Width	Millimetre (mm)	145
Height	Millimetre (mm)	644
Depth	Millimetre (mm)	105
Weight	Kilogram (kg)	2.9355
With time switch clock		No
Swivelling		Yes
With remote control		No
Power control		Other
Programmable		No
Suitable for bus connection		No
Number of tubes		4
Digital indication		No
Material		Steel
With fan		No
Type of collector		Other
Connection cable length	Metre (m)	0.165
Electrical connection		Other
Supply voltage	Volt (V)	220, 240
Adaptive (self-learning)		No
Degree of protection (IP)		IP44
With mounting material		Yes
Max. input power heating	Watt (W)	55
Position control panel		Side
Operation by app		No
Consumption indication		No
Suitable for wireless remote control		No
Shape of radiation tube		Round
Radiator design		Straight
With console		No
