

Aura Slim Basic WBE

Norway - Purmo

- lav høyde
- høy varmeeffekt
- minimalt energitap fra store vinduer
- estetiske monteringsbraketter

Beskrivelse

Aura Slim veggmonterte konvektorer kompletterer optimal basisserien for Aura- og Aquilo-gulvkonvektorer. Aura Slim flate konvektorer oppfyller de motstridende kravene til minimale dimensjoner, maksimal effekt og design. Oppfatningen av Aura Slim-konvektorene er basert på en robust konstruksjon av stål og perforert rist med kobber- og aluminiumsvarmevekslere som ligner på dem som er brukt i Aura-konvektorene på gulvet. Aura Slim Comfort-konvektorer produseres i 360 standarddimensjonale typer. Tilkoblinger: 2 x G ½"- innvendige gjenger. Perforert rist og braketter er utstyrt med fargepulvermaling i RAL 9016. Andre farger fra RAL-paletten mot en ekstra kostnad. Tilkobling fra høyre side (ved behov for tilkobling fra venstre side må dette angis i bestillingen. 10 års garanti.
