Pipe covers/feet

UK - Myson

- Suitable for iVector S2
- Conceals supply pipes
- Not for ground anchoring
- Optional floor mounting
- Aesthetic enhancement

Description

Pipe Covers/Feet conceal supply and return pipes as they enter the unit, enhancing the system's aesthetics and ensuring a neat appearance. These covers should be installed on wall-mounted appliances and are not suitable for anchoring the iVector S2 to the ground. Optional floor mounting feet are available for ground anchoring needs.

Area of Application

Pipe Covers/Feet are ideal for covering supply and return pipes entering into wall-mounted units. They are specifically designed for appliances anchored to the back wall and should not be used for ground anchoring of the iVector S2. Optional floor mounting feet are available for instances requiring ground anchoring.

Selection Criteria

For selecting the appropriate Pipe Covers/Feet, refer to our design service or use our brochure for quick selection.

Basic User Instructions

To use Pipe Covers/Feet, install them on appliances anchored to the back wall to conceal the supply and return pipes. Ensure these covers are not used to anchor the iVector S2 to the ground. For floor anchoring requirements, utilize the optional floor mounting feet accessories.

Prescription text specifiers

Pipe Covers/Feet are designed to conceal the supply and return pipes entering the unit. They should be used with appliances anchored to the back wall and should not be utilized for anchoring the iVector S2 to the ground. These covers provide a neat and aesthetic finish to the installation, ensuring the supply and return pipes are concealed effectively. For installations requiring ground anchoring, optional floor mounting feet are available. Ensure to follow the proper installation procedures to maintain system integrity and appearance.

Warranty

For your additional peace of mind, Purmo Group gives the following Warranty against manufacturing defect. Your statutory rights are not affected by this Warranty.

Subject as provided below, Purmo Group warrants to the original purchaser at the original installation site that its products will be free from defects in materials and workmanship for the following periods:

- Hydronic Radiators: 10 years from date of purchase.*
- Fan Assisted Radiators (ULOW-E2): 2 years from date of purchase.*
- Fan Convectors: 2 years from date of purchase.
- Hydronic Underfloor Heating: 10 years for the pipe from date of purchase.
- Hydronic Underfloor Heating: 2 years on accessories, actuators, ball valves, controls, expansion vessels, fittings, low loss headers, manifolds, mixer control groups & tooling from date of purchase.
- Hydronic Underfloor Heating: 12 months on all pumps from date of purchase.
- Electric Underfloor Heating: 10 years from date of purchase (except programmer & sensor).
- Electric Radiators: 10 years from date of purchase on radiator unit*, electric controls & electronic components; 2 years from date of purchase.*
- Electric Towel Warmers: 2 years from date of purchase.*
- Hydronic Towel Warmers: 5 to 10 years from date of purchase depending on product type.*
- Myson Radiator Valves and Controls: 2 to 5 years from date of purchase, depending on range.

*Products which are exposed to prolonged extreme conditions, such as high humidity or severe cold/condensation, may be subject to deterioration. This is not a result of any manufacturing defect. Products installed in these circumstances will be subject to a warranty period of twelve months only.

The original purchaser's remedy for breach of this Warranty is expressly limited to repair or

replacement of any part or parts found to be defective under conditions of normal service and use during the above Warranty period and does not extend to Purmo Group being liable for any incidental, special or consequential damages or losses whatsoever, such as loss of use of the product, inconvenience or lost profits.

This Warranty does not cover any defect, damage or malfunction in the product which is due to: failure to comply in any respect with Purmo Group's installation, maintenance or operating instructions; faulty storage,

handling, installation or repair; mis-use; neglect; accident; abuse; or general wear and tear.

Before this warranty can be activated, the original purchaser will be required to prove, with supporting documentation, the date and place of purchase, as Purmo Group may need to conduct its investigation into

the alleged defect. This should be within 28 days of the date when the defect was discovered or ought to have reasonably discovered the defect.

Purmo Group reserves the right to make a reasonable charge for inspecting and testing any product which is subject to a Warranty claim and the rights conferred by the Warranty are conditional upon the payment of such charge. The charge may be made, at Purmo Group's discretion, either before or after the inspection and testing of the product. In the event that it is established to Purmo Group's reasonable satisfaction that a valid Warranty claim has been made in respect of the product, then any inspection charge which has been paid will be refunded in full by Purmo Group.
